

Teaching Pastor

The Teaching Pastor supports the mission of Faith Community Church through partnership with the Board and Pastoral Staff in the ministry of preaching God's Word and leadership of the ministry areas of Gather, Grow, and Go.

At Faith Community Church we **gather** every Sunday to worship God, and we encourage our people to attend each service if possible. As hard as it is at times, we do our best to put aside all the distractions of the world and focus on Him. We sing songs of praise, we give our tithes, we listen to the scriptures, we pray.

If you want to **grow** in your relationship with Jesus you need to have intentional relationships with people who share that same goal. A small group is an ideal place for that. Share a meal, pray for each other and have a small Bible study. At Faith Community Church we want everyone to belong to a Group that meets at least once a month. Groups meet throughout the week at the church or in people's homes.

When we **go** into the community to serve others we serve God. This can mean handing out bottled water or hot chocolate at a local high school football game. Maybe it means cleaning up a local park one Saturday. Perhaps we might return all those stray shopping carts to the front of the grocery store. The Servant Evangelism Team goes into Liberty and Fairfield Townships at least four times a year to represent FCC and serve those in need. At Faith Community Church we would love everyone to be a part of at least one servant evangelism project a quarter, in addition to the existing servant groups.
